Ontario Travel has information to assist physically disabled travellers. Accessibility information is being collected considering a variety of special needs. We encourage you to call our toll free line so that our counsellors may assist you with the details you need to plan and enjoy travel throughout the province.

HOLIDAYS

Whenever we say Thanksgiving we mean Canadian Thanksgiving, which happens the second Monday in October.

Other public holidays in Ontario: New Year's Day, Good Friday, Victoria Day (May 24 or preceding Monday), Canada Day (July 1), Civic Holiday (first Monday in August), Labour Day (first Monday in September), Christmas Day and Boxing Day (December 26).

Many places in Ontario close on Christmas, New Year's Day and Good Friday.
Be sure to check ahead.

SPORT FISHING

With an uncountable number of lakes, rivers and streams to choose from, the fisherman can take his pick of catches from Ontario's waters.

In spring, summer and fall, enjoy fishing from a grassy bank, amid a rushing cataract or drifting on a shimmering lake. In winter, pull tasty lunkers through the ice from inside your cozy fishing hut. Complete information about ice fishing in Ontario may be found in the "Winter Book" which is available from Ontario Travel.

The following pages outline fishing in Ontario waters. This list provides information on the main fish species found in the most popular sport fishing lakes and rivers in the Ministry of Natural Resources Districts. Please note that there are fishing regulations for seasons, limits and special closures for the areas and waterways where you plan to fish. Specific information may be obtained from the nearest District Office of the Ministry of Natural Resources, a list of which accompanies the map on the following page.
